MISSION

As a Baptist church, we support our missionary organisations namely:-

BMS World Mission works in around 40 countries on four continents. BMS believes in holistic mission that stays true to the Christian call to evangelisation without neglecting the duty to take care of the physical needs of the poor. Margaret Gibbs, BMS Regional Secretary for Asia, is our link missionary and Ann Bothamley, a member of this church, is still in India working for the Lord after 40 years of service with the BMS.

Home Mission is described as the Baptist family purse through which grants are given to churches and organisations in the UK to help them in their mission, especially for ministry and mission projects but also for the local Associations.

We are also actively involved with other Christian organisations such as:-

Christian Aid is fighting for a world free of poverty and injustice. By working through local organizations they deliver direct, practical benefits and campaign to challenge the causes of poverty and make change happen.

Tearfund is a leading Christian relief and development charity working in partnership with Christian Agencies worldwide to tackle the causes and effects of poverty (both material and spiritual) and injustice.

Traidcraft – there is a traidcraft stall in the church after the service on the first Sunday of the month. We are committed to fair trade.

We are also actively involved with other local churches in various social action projects, namely: **Homeless Run**, **Street Pastors** and **Refugee Project**.
